

CALL FOR PRESENTATIONS:

Paper abstracts must be received by COB November 1, 2019

While presentations related to the conference theme are encouraged, submissions dealing with any aspect of forestry, fisheries, wildlife, or soil and water conservation are welcome. Those interested in presenting a technical paper presentation are asked to submit an abstract of 250 words or less. Indicate on the abstract that the proposal is for a paper presentation.

A total of 20 minutes will be allotted to each technical paper presentation, including questions. Laptops using Microsoft Office 365 PowerPoint, Data projectors and screens will be provided; no overheads. Authors of the selected papers will be notified by November 15, 2019.

All presenters must register for MNRC. See Conference registration on <https://mnrc.org/>.

ABSTRACT INSTRUCTIONS:

Please include the presentation title, author name(s), affiliation, address, phone number, e-mail and abstract following the example template below as a guide. If more than one author is listed, underline the name of the person who will be giving the presentation. Contact information must be for the person giving the presentation. Type all information to fit neatly on a single 8.5 by 11-inch piece of white paper with 1-inch margins on the top and sides. In a cover letter or e-mail, indicate that the abstract is being submitted as a paper (to be presented during a technical session).
