

CALL FOR POSTERS

Abstracts must be received by Friday, November 6, 2020.

While posters related to the conference theme are encouraged, submissions dealing with any aspect of forestry, fisheries, wildlife, or soil and water conservation are welcome. View poster presenter requirements and abstract submission instructions below.

POSTER PRESENTER REQUIREMENTS

- Must be available February 2-4, 2021 during the duration of the event
- Must have the following technology to participate virtually: laptop or computer and high speed internet
- Will be required to submit an image of your poster in advance
- Will be required to record and submit a short video presentation of your poster in advance
- All presenters must be registered for the event

ABSTRACT SUBMISSION INSTRUCTIONS

Submit the following information in one Word document to ray.wright@usda.gov by **Friday, November 6, 2020**. Note that you must list all presenters taking part in your poster Q&A within your submission as access will only be given to those indicated.
