

CALL FOR PRESENTATIONS

Abstracts must be received by Friday, November 6, 2020.

While presentations related to the conference theme are encouraged, submissions dealing with any aspect of forestry, fisheries, wildlife, or soil and water conservation are welcome. View oral presenter requirements and abstract submission instructions below.

ORAL PRESENTER REQUIREMENTS

- Must be available February 2-4, 2021 to present live and virtually
- Must have the following technology to present virtually: laptop or computer, quality webcam and microphone or headset, and high speed internet
- 20 minutes will be allotted for each oral presentation, including questions
- All presentations will be recorded
- All presenters must be registered for the event
