

CALL FOR WORKSHOP REQUESTS

Abstracts must be received by **October 13, 2023**

Missouri Natural Resources Conference

February 6 – 8, 2024

Workshops will be considered based on proposed content related to the theme or any aspect of forestry, fisheries, wildlife, or soil and water conservation. Accepted workshops will have a maximum time slot of two hours on **Feb 7 or Feb 8, 2024**; when applicable, please adhere to the 20 minutes per presenter format to allow audience to change venues. Laptops using Microsoft Office 365 PowerPoint, data projectors and screens will be provided. Presenters and facilitator are the responsibility of the workshop organizer. Workshop organizers will be notified of acceptance by November 3, 2023.

All presenters must register for MNRC. See Conference Registration on <https://mnrc.org/>.
